## NATO:

### *From Regional to Global Security Provider*

YONAH ALEXANDER AND RICHARD PROSEN  
FOREWORD BY GENERAL (RET.) WESLEY CLARK

*"This volume provides a rich survey of perspectives on NATO's activities over the last several years. The expert analysis is both insightful and prescriptive."* —Kurt Volker, *Former U.S. Ambassador to NATO*

*"This very thoughtful and insightful volume brings together an outstanding team of international experts to examine a variety of NATO activities and issues since the fall of the Soviet empire. In so doing, it helps prepare the reader to understand present NATO realities and to make informed judgments about its future. NATO: From Regional to Global Security Provider deserves a broad readership among public intellectuals, policymakers, students, and ordinary citizens who wish to remain current on the major issues of the day."*

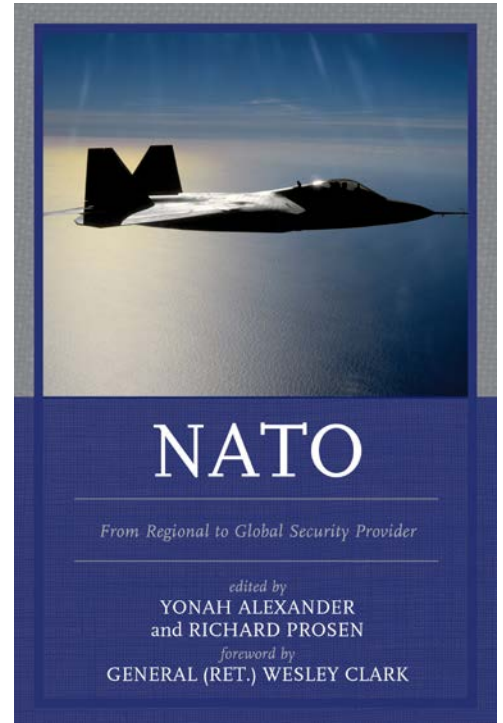

—Robert Turner, *University of Virginia School of Law*

*"In this book, seasoned practitioners and scholars take a hard look at how NATO continues to evolve to meet changing security challenges to the transatlantic community. It's a go-to resource for anyone interested in the Alliance's history—and its future."*

—Daniel Hamilton, *Johns Hopkins University*

#### ABOUT THE BOOK

The volume provides a comprehensive analysis of the Alliance's new vision (the new Strategic Concept) and common security impact associated tasks to be undertaken within a short and longer term time horizon. The book serves as a relevant and timely study of the most pressing issues facing NATO today, including recent lessons gained. It provides recommendations for consideration and further discussion that will be of interest to international security policy-makers, government officials, elected leaders, academics, interested professionals, civil society, and members of the public.
